Patrons Under 16 Must Be Accompanied By An Adult

No Exceptions!

Come Into the Office for Any Questions

All Regulations Are Created By The American Red Cross

It's Our Job to Follow Them

You Must Rinse Off before entering the pool in the bathroom showers-this helps keep the water as clean as possible when you swim!

Lifeguards are in a rotation for each section to be the most alert at all times. No Running around the pool-the pool deck can cause many injuries and we must be careful around the water!

The Stairs are an Entrance and Exit Only-please play and swim once in the pool.

Deep End-one person on the slide and one person on the blue diving block at a time only, then swim to the ladder on that side and exit deep end. At that time the next swimmer can go. No free swim in the deep end is allowed!

Ladders are for Exit Only!

Lap Lane is for lap swimming only. Horseplay is not allowed in any part of the pool.

Tot Pool-swimmers under 6 years of age are welcome in this pool, parents can watch them on the side or by standing in the pool.

Weather Conditions -If Severe enough where we can not see the bottom of the pool, we can not swim! If thunder occurs, we have to wait 30 minutes.

Beach chairs can be used on the grass, sitting or lying on the pool deck is unsafe.

Pool Break is 15 minutes around 2:30 and 5:00. This is for lifeguards to swim and take care of the pool for your safety!

What's Allowed in the Pool?

Goggles?

Yes

But Only Eye Goggles, no Goggles that cover the Nose! If a swimmer had an emergency, goggles covering the nose will take time away from medical attention.

Flotation Devices?

No

Red Cross prohibits vests, jackets, and all forms of floaties. If there were an Emergency, these devices get in the way of a rescue and medical care.

Clothing?

Some

Cotton clothing (Shirts, pants, etc.) are not allowed as street clothes will be in the way of medical care and make the water dirtier. Articles made out of bathing suit material or underarmour can be worn.
