Supplement to Permit Application

The Office of Consumer Affairs and Business Regulation ("OCABR") regulates the registration of contractors and subcontractors performing improvements or renovations on detached one to four family homes. Prior to performing work on such homes, a contractor must be registered as a Home Improvement Contractor ("HIC").

M.G.L. Chapter 142A requires that the "reconstruction, alteration, renovation, repair, modernization, conversion, improvement, removal, demolition, or construction of an addition to any pre-existing owner-occupied building containing at least one but not more than four dwelling units...or to structures which are adjacent to such residence or building" be done by **registered** contractors.

Note: If the homeowner contracted with a corporation or LLC, that entity must be registered.
